Reddish Hair
Clean Cut
Slender, Athletic Build**

On Wednesday, July 18, 2007 in the morning hours between 9:00 AM and 12:00 Noon a female hiker, Barbara Bolick, disappeared while hiking in the **Bear Creek Overlook** area west of Victor Montana. Barbara's hiking companion states she "disappeared."

The Ravalli County Sheriff's Office is seeking 2 young men who were also hiking that morning with a black mixed breed dog with white markings. They may have been driving a light colored SUV similar to an older body style S-10 size Chevrolet Blazer with Missoula County License Plates.

It is believed these young men may have seen Barbara and her hiking companion and may have important information that will assist with the investigation into her disappearance.

If you have any information about these young men or you were hiking the Bear Creek Overlook Trail, **please call:**

Ravalli County 911 Center – 363-3033

Crimestoppers – 363-0062
